

GERMAN PASTORS WAR MAD.

Said to Preach that Suffering of Poles Should "Give us Pleasure."

The Rev. W. Burgess, of Rome, superintendent of Wesleyan Methodist Missions in Italy, has sent to the Methodist Times, of London, the translated extracts of sermons preached by prominent German divines, the reports of which have already appeared in some of the German newspapers.

Pastor Zoebel, speaking in the great Lutheran church in Leipzig, is said to have given utterance to the following sentiments:

"It is this deep consciousness of our mission that permits us to congratulate ourselves, and rest content with a heart full of gratitude, when our guns beat down the children of Satan, and when our marvelous submarines—instruments to execute the divine vengeance—send to the bottom of the sea thousands of the non-elect. We must fight the wicked with every means in our power; their sufferings should give us pleasure; their cries of despair should not move German hearts. There ought to be no compromise with hell, no mercy for the servants of Satan—in other words no pity for the English, French and Russians, nor, indeed, for any nation that has sold itself to the devil. They have all been condemned to death by a divine decree."

Professor Rheinold Seeby, who teaches theology in the University of Berlin, preaching in the cathedral of the city, is quoted as follows:

"We do not hate our enemies. We obey the command of God, who tells us to love them. But we believe that in killing them, in putting them to suffering, in burning their houses, in invading their territories, we simply perform a work of charity. Divine love is seen everywhere in the world, but men have to suffer for their salvation. Human parents love their children, yet they chastise them. Germany loves other nations, and when she punishes them it is for their good."

The following is attributed to Pastor Fritz Philipp of Berlin:

"As the Almighty allowed His Son to be crucified that the scheme of redemption might be accomplished, so Germany is destined to crucify humanity in order that its salvation may be secured. The human race can only be saved by blood, by the fire and sword. German warriors do not shed blood with a light heart. They look upon it as a sacred duty imposed on them, a duty they cannot neglect without committing sin. Our beloved Emperor hates the horrors of war. Through long years he labored to maintain the peace of the world."

"Germany has never employed force to menace the independence of any nation. It is really because we are pure that we have been chosen by the Almighty as His instruments to punish the envious, to chastise the wicked, and to slay with the sword sinful nations."

"The divine mission of Germany, oh brethren! is to crucify humanity; the duty of German soldiers, therefore, is to strike without mercy. They must kill, burn and destroy; any half measures would be wicked. Let it then be a war without pity. The immoral and the friends and allies of Satan must be destroyed as an evil plant is uprooted. Satan, himself, who has come into the world, in the form of a great Power, (England), must be crushed."

"On Germany is laid the divine command to bring about the destruction of those who are the personification of evil. When this work is finished fire and sword will not have been used in vain. The redemption of Empire, which will have created it, humanity will be achieved. The kingdom of righteousness will be established on the earth and the German will remain its protector."

DOCTOR SAVES A BLACKSMITH

Some time ago I was taken with kidney trouble which caused me to give up my work as blacksmith. I lost my appetite and could not sleep. From the dreadful pains that would come over me, from my kidneys, I was treated by a physician for about three months. He could not help me so finally he prescribed Dr. Kilmer's Swamp-Root. I started taking same and before I had finished taking the first bottle I began to eat and sleep better than I had in a long time. I continued to take same until I was entirely cured and took on considerable weight.

I am now back working at my trade again and never felt better in my life. I appreciate what Swamp-Root has done for me and will recommend it to anyone who suffers with their kidneys. When physicians fail to give relief and then prescribe Swamp-Root, they sure know of its merit. I am,

Very truly yours,
S. A. HALE.

NOTICE

WATCH THE DYE—Consult your dealer before purchasing colored goods, as to the washing qualities thereof.

A canvass of the textile trade, by representatives of trade papers, and Laundrymen's Associations, show a large majority of dye houses, connected with textile mills have closed down, due to the shortage of fast colors, and the prohibitive prices, of that little which remains.

The better quality of shirtings, and wash goods now being worn are fast colors, but this cannot continue for any great length of time. The colors which are most questionable at the present time are: Red; blacks, in cotton ginghams, black, blue and tan, hose, of medium quality; blue materials, etc.

Under these circumstances, and for further reasons, that there is no known method whereby fugitive colors can be washed so that they will not run, and no way of knowing whether colors are permanent, except by washing, we beg to notify our friends and the general public, that we use every care in handling colored goods, but cannot be responsible when goods fade or croak, as some of them surely will. Some makers of colored wash goods are already notifying the dealers they cannot guarantee the permanency of colors.

In view of the situation we strongly urge our customers to use as much white goods as possible until such time as the permanent dyes will be again available.

SUSPECT WIRELESS PLANT

Mysterious Movements of Party of Aliens Subject to Report by Federal Secret Service.

Concord, N. H., Feb. 22.—A report of the recent movements in the White Mountains of a party of Germans, who were formerly under Government surveillance, was sent last night by United States Marshal Charles J. O'Neill from his office in this city to United States Attorney Fred H. Brown, at Somersworth. The report is based on information that these persons, whose actions have been viewed with suspicion, are engaged in secret wireless operations from mountain tops. Their headquarters are at Glen, which is a village in Jackson, and affords approach to Mount Washington. It is on the Maine border and the altitude is such that Portland Harbor is in plain view.
